'HEAL THE HEALERS' Physician Wellness Initiative

Dear Sponsor

It is with great pride and enthusiasm that we invite you to be a partner in the celebration of the 33rd Anniversary of the Texas Indo-American Physicians Society Southwest Chapter (TIPS-SW). The 33rd anniversary of the TIPS-SW chapter will inaugurate the National Convention of American Association of Physicians of Indian Origin (AAPI) from June 23-26, 2022 to be held in San Antonio after 8 years. This event is even more special as this coincides with the 40th Anniversary of AAPI and the 75th Anniversary of India's independence.

TIPS-SW chapter provides a forum for professional solidarity for physicians of Indian ethnicity in South Texas to maintain commitment to professional excellence and to advocate for the well-being of our patients, communities and physicians.

The theme for the 33rd TIPS-SW anniversary celebration, "Heal the Healers" is planned to be in conjunction with national AAPI, the Consulate General of India (CGI), and the International Day of Yoga.

- The campaign plans to support national programs that promote physician well-being and combat burnout
- TIPS-SW will partner with ID-Yoga, Lifestyle Medicine experts and other local organizations to provide wellness support to our healthcare providers and the local communities we serve
- The program brochure and the sponsorship levels are enclosed

We are looking for your generous support to make this event successful and help promote physician and community well-being locally and nationally. TIPS-SW is a 501 (c) (3) Not-for-Profit Organization. The success of this effort is greatly due to the generosity of sponsors like you who have stood by us and supported us in our mission. We would like to meet with you to discuss the sponsorship opportunities. Please visit the website www.tips-sw.org for more details or email tipssw@gmail.com for further information.

Texas Indo-American Physicians Society - Southwest Chapter (TIPS-SW Chapter)

The SW Chapter, one of the five chapters of the Texas Indo-American Physicians Society, represents over 1000 physicians of Indian origin in Southwest Texas. TIPS-SW is a part of American Association of Physicians of Indian origin (AAPI), the largest ethnic medical organization in the United States. AAPI represents the interests of close to 10% of the entire physician workforce in the United States and about 15,000 Medical Students/Residents.

Every seventh patient in the US is served by a physician of Indian origin!

TIPS-SW chapter includes physicians of Indian origin in San Antonio, Austin, Uvalde, Del Rio, Eagle Pass, Brownsville, Corpus Christi, McAllen, Victoria and all surrounding areas. Many of these physicians serve in medically underserved inner city and rural areas of Texas.
